DECISION

This is a decision on applicant's "PETITION FOR REVIVAL..." filed in the U.S. Patent and Trademark Office (USPTO) by facsimile transmission on 21 September 2005. The petition was accompanied by, *inter alia*, the requisite petition fee, the basic national fee, and a declaration of the inventor. The petition is **GRANTED** as discussed below.

The present application became abandoned as to the U.S. National Stage on 21 March 2005 for failure to pay the basic national filing fee prior to the expiration of 30 months from the priority date.

A review of the application file reveals that applicant has satisfied the requirements of 37 CFR 1.137(b), and that the application satisfies the requirements under 35 U.S.C. 371 for entry into the national stage in the United States. The requisite fees have been charged to counsel's deposit account as authorized in the petition.

The application has an international filing date of 15 April 2003, under 35 U.S.C. 363, and a 35 U.S.C. 371(c)(1), (2), and (4) date of **21 September 2005**.

This application is being forwarded to the National Stage Processing Branch of the International Division for further processing in accordance with this decision.
